

## **Position Information: ARCHITECTURAL DESIGNER**

Do you have a love and passion for residential design? Have you worked in residential remodeling/home building and enjoy creative problem solving? This just might be the job for you.

We are looking to expand the Pleasant Ridge Construction design team with a detail oriented, curious, enthusiastic **RESIDENTIAL DESIGNER**. You will have a wide range of project scopes and clients. You will be working independently and with a design team to help our clients remodel homes that they love. Your office is equipped with state-of-the-art Design Software, Chief Architect, with Oculus Virtual Design abilities, and wide format printing in house.

**Exemplify Ownership** *[We are the directors in creating excellence in experience and craftsmanship]*

You are self-motivated. You think like an entrepreneur, constantly innovating and driving positive change, but more importantly, you consistently deliver mind-boggling results.

**Growth Mindset** *[We believe that an investment in our people is an investment in our community & we expect our employees to invest in themselves]*

You will have ongoing sales and marketing training as well as opportunities to grow in the design field with regular training and networking.

**Courageous Communication** : We are proud to have team members who are not afraid to ask for what they need, request help or information when they need it, and make decisions when appropriate.

**Exhibit Professionalism** *[We live in the present moment and listen to others & we strive for a drama free environment]*

Teamwork!!!! You like people and have a curiosity to understand what makes them tick.

**Fiscally Responsible** *[We weigh every decision with the value to our clients, employees, and stability to the company]*

You understand balancing high-quality experiences with return on investment.

We provide medical, dental, PTO, Paid holidays and more...

So what are you waiting for? Apply now by sending a resume to [pleasanridge.office@gmail.com](mailto:pleasanridge.office@gmail.com) with **Residential Interior Designer** in the subject line.

## Requirements

### Responsibilities include:

**Remodel design** – From as-built measure and conceptual design to construction documents, you will be working with clients, trade contractors and our in-house carpenters to design and build a wide range of residential remodels/home builds.

**Construction support** – You will be involved in your projects throughout the construction process—seeing the details through to the end.

### Ideal candidate's qualifications include:

1. Design degree (Architectural or Interior—with a construction/residential focus) and 2+ years' experience designing new homes, with attention to kitchens, baths, and other residential projects required. An understanding of construction and general residential structure is a must.
2. Proficiency in AutoCAD & CHIEF ARCHITECT required.
3. Experience with SketchUp a plus.
4. Have the ability to work independently and to hold yourself accountable for results and performance. Must have enthusiasm and willingness to grow with the company.
